# FAREWELL LECTURE & APÉRO

## PD DR SVEN TRELLE

THURSDAY 28 MARCH 2024 | 2 PM  
SITEM-INSEL: CATR AUDITORIUM 2<sup>ND</sup> FLOOR

**“What is doing clinical research about?  
Some insights from 15 years @ CTU Bern”**

Sven Trelle has been affiliated with the CTU Bern since 2008. In his role as Director, he has consulted on more than 500 clinical research projects and peer reviewed over 200 clinical trial grant applications. He has been an active teacher on all aspects of clinical research, from methodology to implementation and the practical issues of conducting clinical research.

We are delighted that from 15 April 2024, Sven will continue his association with DCR in the role as Project Consultant.

Please join us to thank Sven and learn from his deep insights

Followed by an Apéro at 3 pm
